The NELCDC missed its target of serving 75 households via the monthly homebuyer education workshops by 7 households. As was stated in the quarter 1-quarter 3 report, the NELCDC hired new staff in April and May 2016, which had a significant impact on the fourth quarter monthly workshop performance.

## Volunteer Administration Program

### Goal: 8 New Ambassadors

The NELCDC's new volunteer program, which touts new ambassadors has increased the NELCDC's outreach efforts. **The NELCDC gained 21 new ambassadors** in the FY 15-16 fiscal year! These ambassadors assisted the NELCDC with community cleanups and financial literacy outreach. These 21 ambassadors do not include the six Texas Tech MPA students who served as hospitality volunteers for the 2016 Community Champions Awards Luncheon (pictured below). Note, the young lady on the far left is the NELCDC's administrative intern who is also an MPA-JD student at Texas Tech. Also note the many volunteers who served the community for the Adopt-a-Spot program volunteers via Habitat for Humanity, an Adopt-a-Spot program partner.

## Referral Partner's Program

### Goal: 5 New Referral Partners

The NELCDC's referral partners program is barely one-year old (September 2016). Last year, the NELCDC gained the support of Prime West, Texas Tech Credit Union, and First United Bank who helped facilitate financial literacy workshops. This fall, with new staff the program was reinvigorated and between a few successful monthly luncheons the following **six (6) entities became new referral partners!** These partners help the NELCDC educate clients and become referrals when clients are mortgage-ready or act as referral for other education and guidance:

1. First Capital Bank of Texas
2. Freedom Mortgage
3. First United Mortgage
4. Peoples Bank
5. City Bank
6. Legal Shield

Note, Prosperity Bank became a partner in October 2016 so they are not included in this fiscal year's performance measure. Please also note notable partners who have not officially executed a referral partner's agreement but are critical partners in the work we do to serve the community: BBVA Compass Bank (awarded the NELCDC a \$7,500 financial literacy grant in 11/2016 and another \$10,000 in 10/2016); Wells Fargo and Bank of America allowed NELCDC to host a referral partners luncheon at their bank at no cost; Legal Aid of Northwest Texas has become a partner for foreclosure prevention referrals for many clients who call the NELCDC for assistance; and of course LUNA and Habitat for Humanity have been invaluable partners in outreach and overall community revitalization efforts. All of the NELCDC's success would not be as impactful without the partnerships we are so proud to boast! By the end of the fiscal year, the NELCDC has not implemented a clearing house or a CRA proposal packet, but these outcomes will get underway and will be completed in the next fiscal year. The NELCDC has begun to develop ways to expand this program to ensure there is a mutual benefit for the NELCDC and its partners. Watch the NELCDC website for new Referral Program Partner features!

## **Administrative Performance Measures**

Please note the following items will be reported in more detail in the year-end report. However, some brief updates are provided below:

- Board development efforts and outcomes
  - There are no additional updates in board development.
- Professional development
  - An outline of all courses taken by staff, as well as a demonstration of all resources leveraged via the corporation's non-profit status will be outlined in the annual report. It is most important to note the following:
    - All staff members have been able to take various housing and credit counseling training webinar courses, which typically cost \$79 per staff member, at no cost between July 2016 – September 2016 via Neighbor Works.
    - The administrative assistant and executive director took advantage of place-based training in Houston, TX. Two certifications were received, which typically range from \$1300-\$1600 in tuition. The classes were offered for \$100 and \$75. The shared hotel, registration, per diem, and travel is reflected in the \$2084 shown on the profit and loss statement in August 2016 (this was the total for two employees).
- Network Services
  - This has not been implemented to-date.
- Down-payment and closing cost assistance
  - These funds have not been used to-date because a home sale has not been completed to-date.
- Mahon Villas
  - There are no additional updates from the Q1-Q3 consolidated report. However, it is likely a more comprehensive explanation regarding the outcome of the Villa del Norte property may be conveyed in the completed NELCDC FY 15-16 annual report.
- East Lubbock Community Alliance
  - There are no additional updates from the Q1-Q3 consolidated report. However, pictures and descriptive information will be provided in the NELCDC's FY 15-16 annual report, which will highlight the NELCDC's participation and support of the Alliance.

## **Adopt-a-Spot Program**

### **Goal: 8-10 Households Impacted**

Overall, five houses will be impacted in the Dunbar-Manhattan Heights neighborhood. This was the pilot project area for this new program, which began in October 2015. The updates on houses 3, 4, and 5 are documented below.

1. House 3 – Repairs are still underway. Contractors have been consulted because a new window at the rear of the home was not slated but is desperately needed for this home. A portion of the carport must be rebuilt, and the fascia and soffit in various areas needs to be repaired. The NELCDC hired an inspector to complete an inspection of the work to be completed and a work estimates from contractors is underway. The work on this home is much more extensive; therefore, the labor will be conducted by a professional. This project is also slated to be completed by the end of December.
2. House 4 – (9) windows were installed but framing is still pending. Priming and painting was also requested and will be provided following window installation.
3. House 5 – (9) windows have been purchased. Materials needed to complete window framing was also completed. This house is slated to be completed by the end of December.

A total of \$6,885.57 of the \$8,500 budget has been spent in the Dunbar-Manhattan Heights neighborhood. This is largely do to in-kind contributions via volunteer labor as well as some discounted material purchases. Since the NELCDC has received funding for this program over two fiscal years, but a new project has not been implemented in this fiscal year, the NELCDC will not request any additional funding for this program. Plans have begun for new projects to commence in new neighborhoods and the funds from previous funding years (marked as reserves) will be used to complete at least two projects before additional funding is requested for this new program.

The NELCDC also submitted an application to United Way of Lubbock but the application was not funded. The NELCDC will continue to pursue becoming a United Way community partner.

### **Fundraising – Goal: 1 Event**

The North & East Lubbock CDC successfully held its 11<sup>th</sup> annual Community Champion Awards Luncheon where community pioneers were honored for their service to the community. The luncheon raised \$25,840 for the North & East Lubbock CDC. 20 back packs were provided at the Texas Tech Back-to-School function and 30 back packs were provided at the VOICES back-to-school event at Mae Simmons. More than 90 parents who stopped by the NELCDC's booth at both events signed up as "interested" in financial literacy or becoming an NELCDC ambassador!

### **Regis Park Development Project**

There are no new updates at this time on this project. NELCDC anticipates there may be activity to report in December 2016 or January 2017.

### **King's Dominion**

The NELCDC sold two of the seven lots mentioned in the Q1-Q3 consolidated report. Three other lots are being discussed; the NELCDC will begin construction this fall on a new single-family home. More plans for King's Dominion build-out are underway and will be presented in a report once confirmed. The NELCDC, as required by its grant management agreement with the City of Lubbock is also working to purchase (assemble) land for development in north and east Lubbock. More updates will be provided in the annual report and upcoming FY 16-17 quarterly reports.
