If you desire to buy or build your first home, the NELCDC is here to make the process easy and effortless for you, but there are some key things you need to know. **The links placed throughout this document are key information – be sure to click and read! ✓ 1st – EDUCATE YOURSELF ON THE PROCESS

- [CLICK HERE for the 2019 workshop schedule](#)
- [CLICK HERE to register for a workshop](#)
- It is important to learn about the process, which includes budgeting and saving money, so you can obtain and keep your home; the credit score requirements and how that impacts your monthly mortgage payment; and the process to obtaining a mortgage. All of these topics are covered in the NELCDC's monthly workshop.
- Education should occur before you begin to look for your home. Education will also help you decide if buying an existing home or building a home is right for you. **Remember to do first things, first.**

✓ 2ND – HOUSING AND CREDIT COUNSELING

- If you know you have some money set aside, have good stable income on a job you've been working on for at least two (2) years and have a credit score of 640 or better, you may be mortgage-ready! But, if you are not sure, answer the questions on the **"Are You Mortgage Ready" form by CLICKING HERE** and we will contact you to discuss your options.
- If you are not sure, or if you need some help budgeting, saving money, and working on improving your credit, no worries! The NELCDC is a HUD-approved housing and credit counseling agency. **NELCDC offers all counseling services for FREE.** With your permission, we will pull your credit via our HUD-approved client management system and provide you with the counseling and education you need to obtain and keep a strong credit score!

✓ 3RD – MORTGAGE-READY – OBTAIN YOUR DREAM OF HOMEOWNERSHIP

- **CLICK HERE to see if you are mortgage-ready!** This form contains the standard threshold expectations for most, if not all mortgage lenders. When our clients meet the criteria shown on the checklist, we will then discuss options to help you find the loan product, lender, **down payment and closing cost assistance**, and housing option that works best for you!
- As a HUD-approved housing and credit counseling agency, we are required to provide our clients with at least three (3) referrals. Please note, you are never obligated to use any of NELCDC services, products, or referral partners even if we help you qualify to purchase a home. If you have an existing relationship with your bank or credit union, that's always the first best choice because relationships matter. After all, you are seeking to get into a 30-year relationship (for your mortgage loan) so a good relationship is the best place to start! If you need or are interested in receiving a referral, **CLICK HERE to view NELCDC Referral Partners.**
